Information:

Sun River Electric Cooperative is offering “Green Energy” to its residential and commercial members. “Green Energy” is being offered to SREC members through the purchase of “Green Tags” from Basin Electric Cooperative by Sun River Electric Cooperative. Because of the increased cost of “Green Energy” generation, a 2.5 mill (\$0.0025) premium per kilowatt- hour will be charged. SREC members will be able to purchase all of their monthly electric needs in the form of “Green Energy”.

Agreement:

I agree to purchase “Green Energy” from Sun River Electric Cooperative. I agree to pay a premium of an additional 2.5 mills (\$0.0025) per kilowatt-hour for my monthly usage that I want generated from a “Green Energy” source. My purchase of “Green Energy” will automatically renew monthly unless I notify SREC in writing otherwise. I agree to give Sun River Electric Cooperative 30 day’s written notice if I wish to discontinue purchasing my monthly power usage from “Green Energy” sources.
