Geothermal Heat Pump Rebate Agreement

Member Name: _____
Installation Address: _____
Mailing Address: _____
Account Number: _____ Tele. Ph. No. _____
Dealer: _____ Make: _____ Size (in tons) _____
Rebate amount requested: (Ton rating x \$200.00 = _____) _____

I, _____, a member of Sun River Electric Cooperative, Inc. am requesting \$_____ rebate for the installation of a Ground Source Heat Pump in my building installed at the above address.

The following conditions and requirements are hereby agreed to by Sun River Electric Cooperative and the above identified member.

1. **Sun River Electric Service:** The Ground Source Heat Pump must be in a building served by Sun River Electric Cooperative, Inc.
2. **Proper Installation:** It is the customer's responsibility to have the Heat Pump installed in compliance with the National Electrical Codes by a qualified person and the customer holds Sun River Electric Cooperative harmless from any and all liability arising from the installation and operation of the Heat Pump.
3. **Proof of Installation:** The customer grants Sun River Electric Cooperative the right to enter into and upon the members premises when the member is present, for the purpose of verifying the installation and use of the Heat Pump. **Please include a copy of your installers invoice with this application.**

Sun River Electric Cooperative authorizes only one rebate per system and applies only to homes or buildings on the SREC system. Rebate payment will be paid after installation has been completed and approved. Maximum rebate \$1000.00.
